2024-2025 SEASON

The Wisconsin Chamber Choir is excited to announce another fantastic year of music. The choir is comprised of 50 talented singers from not only Dane County but a few other surrounding counties.

This year we will continue our 3 concert season. We will once again offer a \$60 season subscription that will **save \$15** per patron.

Tickets are \$25/adult and \$5/student.

We are also proud to continue offering reduced rate tickets for patrons that would otherwise be unable to attend our concerts. This would not be possible without the support from our community and the Wisconsin Arts Board.

Tickets available on our website today at: www.WisconsinChamberChoir.org
